

YMCA
We build strong kids,
strong families, strong communities.

To Whom It May Concern:

We have contracted, Professional Security Associates, Inc. to protect the construction of our new YMCA Patchogue Family Center. They arrived at a moment's notice and set to work immediately. The peace of mind we now have, knowing that Professional Security Associates is protecting the community's investment and best interest, has been invaluable for the YMCA. It has been our experience, that this company's performance is superior to their competitors. PSA has gone above and beyond by coordinating and communicating with Local law enforcement.

With great pleasure, we highly recommend Professional Security Associates, Inc. for all your security needs. Feel free to contact us with any further inquiries.

Sincerely,

Donna M. Boyle
